

Welcome to Sequoia Yacht Club

Cruiser Information

Updated: 6/25/2018

Sequoia YC Access

Members of reciprocal clubs are welcome to enjoy our club as a guest whenever the club is open. We are open Sat and Sun 10:00 AM – 5:00 PM. The club may also be open at other times (often Fri and weekend evenings) depending on scheduled events. When the club is not open, guest access is only available when accompanied by a SYC member.

This can mean that the club restrooms are not available at night. Guests staying at the SYC Guest Dock may access the marina restrooms (Near the entrance to C dock). The Guest Dock Gate Code is _____, and the C Dock Marina restroom / shower code is _____. The Marina restroom code only gets you inside the door; if you want to take a shower you will need a key obtainable from the harbormaster (in Spinnaker Sailing at the entrance to D dock).

Guests staying on the SYC guest dock must fly your yacht club burgee while at the dock.

Please note that the marina does not allow the use of BBQs on a boat while at the guest dock.
